**Introduction**

Those intending to go for Haj or Umrah are embarking upon a Journey of Lifetime – a journey like none other! They must prepare mentally, physically, emotionally and most importantly spiritually.

Allah says: “And take a provision (with you) for the journey, but the best provision is At-Taqwa (piety, righteousness, etc.). So fear Me, O men of understanding!” (Quran 2:197)

Here You’ll find a list prepared by our Travel Experts with feedback from scholars, doctors and pilgrims alike. The list is a recommendation. You should always consult your own tour operator and a doctor for medical advice.

---

**#TravelAware**

1. **Get travel insurance**
   Make sure you take out travel insurance. Check that it covers everything you need it to. For example lost or stolen luggage, medical costs etc.

2. **Visit your GP or health centre**
   Make an appointment with a health professional or your GP to find out which vaccinations or medications you might need. Even if you’ve previously lived abroad, you may no longer be immune to the diseases common in that region (e.g. malaria).

3. **Find out about your destination**
   Although you may be familiar with your destination, the situation in a country can change very quickly. Find out the latest travel advice by checking [www.gov.uk/knowbeforeyougo](http://www.gov.uk/knowbeforeyougo)

4. **Get your documents in order**
   Check with the relevant embassies what visas are required and ensure that your passport is valid for at least 6 months after you return back to the UK. Make photocopies of your passport, tickets, itinerary and insurance documents, or store online copies on a secure data storage site.

5. **Don’t bring back certain foods**
   Did you know it is illegal to bring meat and dairy products into the UK from outside the European Union? There are also strict rules on food products such as fish, shellfish, honey, fruits and vegetables. To check what you can bring back go to: [www.gov.uk/bringing-food-animals-plants-into-uk/food](http://www.gov.uk/bringing-food-animals-plants-into-uk/food)

---

6. **Tell others where you are going**
   Tell family and friends where you are going and leave them your contact details, insurance policy details and your itinerary.

---

7. **Emergency Contingencies**
   Make sure you have enough money to cover emergencies and any unexpected delays. Consider taking more than one means of payment with you (cash, debit card, credit card).

---

**Check**

- [For more information visit: www.gov.uk/knowbeforeyougo](http://www.gov.uk/knowbeforeyougo)

---
