

Excellence of Umrah

العمرة إلى العمرة كفارة عن أبي هريرة أن رسول الله ﷺ قال:
لما بينهما والحج المبرور ليس له جزاء إلا الجنة.
(مسلم البخاري)

The Prophet (pbuh) said: "(The performance of) Umrah is an expiation for the sins committed between it and the previous Umrah; and the reward of Hajj Mabrur (i.e. one accepted) is nothing but Jannah."

[Bukhari and Muslim].

Excellence of Umrah

عَنْ عَبْدِ اللَّهِ قَالَ :
قَالَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ: تَابِعُوا بَيْنَ الْحَجِّ وَالْعُمْرَةِ فَإِنَّهُمَا يَنْفِيَانِ
الْفَقْرَ وَالذُّنُوبَ كَمَا يَنْفِي الْكَبِيرُ خَبَثَ الْحَدِيدِ وَالذَّهَبِ وَالْفِضَّةِ وَلَيْسَ لِلْحَجِّ
الْمَبْرُورِ ثَوَابٌ دُونَ الْجَنَّةِ.
[النسائي و الترمذي]

Follow between Hajj and Umrah for they chase away poverty and sins just as a blacksmith's bellows removes impurities from iron, gold and silver, and there is no reward for a Hajj Mabruur less than Jannah.

- Step to one side, look up at the Ka'bah, glorify Allah and make du' a.
- This is one of the places where Du'a is accepted

Tawaf

Tawaf of Umrah

Preparation:

- Idhtibaa - Pass the upper sheet of Ihram from underneath the right arm and put it on the left shoulder (this is only for the duration of the Tawaf)
- Wudhu is necessary for tawaf.
- Proceed towards the black stone
- Reciting of Talbiyah is stopped when you reach Hajar-e-Aswad, the starting point of Tawaf.
- Niyah (Intention) – 'O Allah I am performing Tawaf for Umrah, make it easy and accept it from me'

Tawaf of Umrah

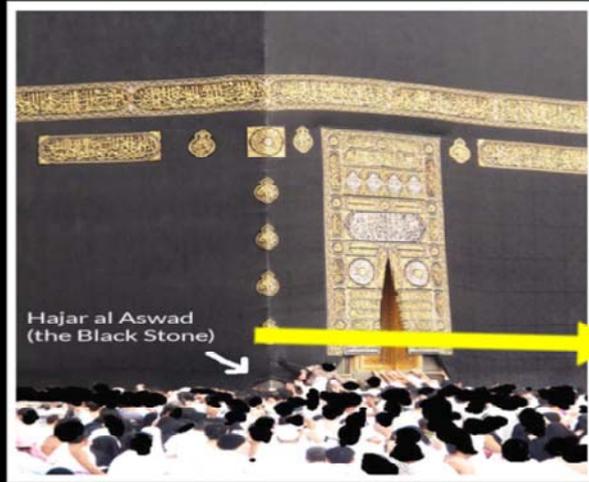

- Step in line with the black stone with the body facing it.
- Now 2 actions need to be done:
 1. Istiqbaal (Takbeer)
 2. Istilaam
- Istiqbaal is to raise one hands like one does in Salah whilst facing the black stone and say:

'Allahu Akbar La ilaaha Illalah'
- After raising the hands and saying the above, one will put the hands back down to one's side. This will always be done when one commences any tawaf.

Facing Al-Hajr al-aswad

Tawaf of Umrah

- Istilaam is to make some form of contact directly or indirectly with the al-Hajr al-aswad (black stone).
- If one can touch the black stone without pushing, shoving or causing some difficulty, then one should place both hands on the stone and then place one's lips in between. When kissing the stone, a noise should not be made.
- If one cannot kiss the stone, then merely touching the stone and kissing one's hands will suffice.
- Nowadays, due to the crowds, all of the above are very difficult.

Tawaf of Umrah

- It is sufficient to be in line with the black stone facing it from a distance, with the palms of both hands raised towards the black stone, saying:

“Bismillahi Wallahu Akbar”

بِسْمِ اللَّهِ وَاللَّهُ أَكْبَرُ

- After pointing to the black stone with one's palms, one should kiss his hands and put them down.
- Istilaam will be performed a total of 8 times: at the beginning of every round in tawaf and after completing the 7th round.

Tawaf of Umrah

- After performing Istilaam, one will begin Tawaf (circumambulation) of the ka'bah.
- Raml - A male will walk briskly in the first three rounds.
- If it is not possible to walk briskly due to the crowds, or due to one looking after family, one may walk normally.
- A female will not do raml. She will walk normally.
- Raml will only be performed in the first three rounds, in the last four rounds, a male should walk normally.
- Raml and idhitbaa' will only take place in that tawaf which has a sa'i after it.
- In a nafl tawaf, one will not perform raml or idhtibaa'.

Tawaf of Umrah

- One must walk around the hatim and not cut through.
- During Tawaf recite Qur'an, dhikr and make dua.
- One should avoid talking whilst performing Tawaf.
- One should not read loud in a manner which disturbs others.
- It is disliked to eat.
- One may drink zamzam in between if one feels thirsty.

Tawaf of Umrah

- Whilst performing Tawaf, if one's wudhu breaks, a fardh salah starts or one needs to take a break, then it is permissible to pause the tawaf and then continue from the very place he stopped.
- One will not gesture to any other corner of the ka'bah besides the corner with the black stone.
- It is mustahab to touch the al-Rukn al-Yamani (Yemeni corner) if it possible. If one cannot go near it due to the crowd, one should not gesture towards to it.
- The al-Rukn al-Yamani should not be kissed.

Sacred Learning – Hajj Handbook PDF –page 27, if wudhu breaks before 4, start over again.

113- Should a person who ceases his Tawaf for violating Wudu' (ablution) or for any other need resume and complete his Tawaf or restart a new Tawaf?

Q: A questioner from Cairo says in his question: "He broke wind after starting Tawaf (circumambulation around the Ka`bah), should he cease his Tawaf or complete it?"

A: If one violates his **Wudu'** during **Tawaf** by breaking wind, urinating, producing semen, touching one's private parts or the like, his **Tawaf** will be invalid exactly as Salah (Prayer). He has to cease **Tawaf** and go to perform **Wudu'**. Then, he has to begin his **Tawaf** again. This is the soundest viewpoint. This question is a matter of dispute among scholars. But this is the soundest viewpoint with regard to **Tawaf** and Salah because of the saying of the Prophet (peace be upon him): "When any of you breaks wind **during** the prayer, he should turn away, perform ablution and repeat the prayer." This Hadith was reported by Abu Dawud and deemed as authentic by Ibn Khuzaymah. **Tawaf** is similar to Salah in general. But if one ceases **Tawaf** for a certain need, as when Iqamah (call to start the Prayer) is announced, after performing three rounds - he has to perform Salah and then completes his **Tawaf** from the place where he stopped. (Part No. 17; Page No. 216)

He is not required to return to Al-Hajar Al-Aswad (the Black Stone in a corner of the Ka`bah) to start the round. He can begin from the place where he stopped. This viewpoint contradicts what was said by a group of scholars that he has to return to Al-Hajar Al-Aswad to begin the round. The soundest view is that he is not required to return to Al-Hajar Al-Aswad. The case will be the same, if he is stopped for Funeral Prayer, for talks with someone, due to a crowd or the like. In this case, he has to complete his **Tawaf**. May Allah grant us success! (Part No. 17; Page No. 217)
